3. If a DPO operates more than one type of Digital Distribution Platform, then it is required to make separate and independent request in the manner specified above for each type of Digital Distribution Platform. Further, such DPO is required to execute a separate interconnection agreement for each type of Digital Distribution Platform it operates to access the Channels, provided it is eligible to receive signals from Broadcaster (through IndiaCast). For example, if a DPO operates both as an MSO and a HITS operator, it must execute two separate interconnection agreements: one for its MSO operations and another for its HITS operations; provided it has furnished filled-up application forms (along with correct and accurate information and documents), it is not a defaulter of payments, and all its systems / equipment meet the prescribed requirements. Similarly, if a DPO having Interconnection Agreement with Broadcaster (through IndiaCast) for one type of Digital Distribution Platform, intends to obtain signals for another type of Digital Distribution Platform, then such DPO is required to make separate and independent request for signals in the manner specified above for such other type of Digital Distribution Platform. For clarity, merely because a DPO has an Interconnection Agreement with Broadcaster (through IndiaCast) for one type of Digital Distribution Platform does not entitle it to receive signals for any other type of Digital Distribution Platform.
4. Upon receipt of the Application and/or before providing signals of Channels to the DPO, if Broadcaster (through IndiaCast) is of the opinion that the Digital Distribution Platform of such DPO does not meet the requirements specified in Schedules III, IX and X of the Interconnection Regulations (as applicable), which have been included in the RIO / Interconnection Agreement as Annexures G, G-1 and G-2 respectively, then Broadcaster (through IndiaCast), may cause an audit of the DPO's Digital Distribution Platform by Broadcast Engineering Consultants India Limited ("BECIL") and/or by any of the auditors empaneled by TRAI (for conducting such audits) and provide a copy of the report prepared by BECIL / the applicable TRAI empaneled auditor to the DPO. Such audit of DPO's Digital Distribution Platform shall be commissioned by Broadcaster (through IndiaCast) within such timelines as Broadcaster may decide in its sole discretion. Similarly, upon receipt of the Application and/or before providing signals of Channels to the DPO, Broadcaster (through IndiaCast) may take steps to verify veracity of information and/or documents provided by DPO and whether or not DPO is defaulter in payments.
5. Pursuant to satisfactory completion of the aforementioned requirements, Broadcaster (through IndiaCast) and the concerned DPO shall enter into the Interconnection Agreement annexed herewith to enable the DPO to avail and retransmit signals of Channels through DPO's Permitted Digital Distribution Platform (*as defined in the Interconnection Agreement*). The Interconnection Agreement attached herewith, once fully executed by and between the DPO and Broadcaster (through IndiaCast) shall supersede any prior written understandings / arrangements / agreements ("Erstwhile Agreement") between Broadcaster (through IndiaCast) and the concerned DPO regarding retransmission of signals of Channels through the DPO's Permitted Digital Distribution Platform in the Territory (*as defined in the Interconnection Agreement*), provided however that such supersession of Erstwhile Agreement shall not absolve the DPO of its duties and obligations thereunder, which are explicitly and/or by its nature intended to survive expiry / termination of such Erstwhile Agreement (e.g., confidentiality obligations, obligations to pay dues (with interest), obligation to provide monthly subscriber reports, obligation to provide audit reports, obligation to allow conducting broadcaster caused audit, etc.). Broadcaster (through IndiaCast) reserves all rights (including the right to terminate the Interconnection Agreement) in case of non-compliance with stipulations and/or obligations herein and/or those surviving expiry / termination of Erstwhile Agreement.
6. If DPO intends to use website copy of RIO based Interconnection Agreement (pursuant to satisfactory completion of the aforementioned requirements), then DPO must ensure that it signs, stamps and sends the then prevalent RIO based Interconnection Agreement of Broadcaster to Broadcaster (through IndiaCast) along with relevant information and documents. It is hereby clarified that such Interconnection Agreement shall not be binding until such time as Broadcaster (through IndiaCast) has not countersigned the same. It is hereby further clarified that if any old/earlier version of signed interconnection agreement is received from DPO by Broadcaster (through IndiaCast) after a new/modified version of RIO based interconnection agreement has been uploaded by Broadcaster (through IndiaCast) on the website, then such signed interconnection agreement received from the DPO shall not be considered by Broadcaster (through IndiaCast) and DPO agrees that its request shall be invalid. Additionally, if a new/modified version of RIO / interconnection agreement has come into force before the signing of the RIO based interconnection agreement sent by DPO, then subject to such DPO's eligibility, such DPO will be required to execute the then prevailing version of RIO based interconnection agreement (and for clarity, the earlier version of RIO based interconnection agreement sent by DPO shall be deemed to be null and void).
7. In the event a DPO makes any modification and/or adds any noting or remarks ("Modification") to the Interconnection Agreement and/or in its communication (if any) (including at the time of its execution or even while sending a signed copy of the RIO based Interconnection Agreement downloaded from website), then such Modification shall be invalid *ab-initio* and non-binding. If deemed necessary, Broadcaster (through IndiaCast) may call upon DPO to make a fresh request in the manner prescribed above and/or sign fresh Interconnection Agreement based on then prevailing RIO. For clarity, Interconnection Agreement is required to be executed on an 'as-is' basis.
8. As on the effective date of the Interconnection Agreement and for the Term, DPO, its shareholders, promoters, directors and key managerial personnel / partners do not, and shall not, have any conflict of interest in terms of the BCCI Conflict of Interest Rules and that DPO is not in any manner associated with / related to the BCCI, the IPL governing council or with any of the BCCI's full members, associate members, and/or affiliate members, or any of their officials. For the purposes of this clause, "BCCI" shall mean the Board of Control for Cricket in India, a society registered under The Tamil Nadu Societies Registration Act 1975, having its head office at Cricket Centre, Wankhede Stadium, Mumbai 400 020, India; and "BCCI Conflict of Interest Rules" means the BCCI Rules on Conflict of Interest as may be amended / revised / updated / substituted by BCCI from time to time. In the event there is any such conflict of interest during the Term, DPO shall (a) forthwith notify Broadcaster (through IndiaCast) of the same in writing and (b) procure necessary approvals (if required) under the BCCI Conflict of Interest Rules. Broadcaster (through IndiaCast) reserves all rights (including the right to disconnect signals of the Subscribed Channels (*as defined in the Interconnection Agreement*)) in case of any such conflict of interest.

9. Other Important Provisions:

- (a) Notwithstanding anything to the contrary in this RIO / Interconnection Agreement, Broadcaster (through IndiaCast) expressly reserves all of its rights and contentions, including those asserted in any past, present, or may be asserted in future litigations. This reservation applies to, but is not limited to, the following matters: (a) SLP (C) No. 10801 of 2021 and SLP (C) No. 010877/2021: Indian Broadcasting & Digital Foundation & Ors. vs Telecom Regulatory Authority of India & Ors., and TV18 Broadcast Limited & Ors. vs Telecom Regulatory Authority of India & Ors., respectively, and connected matters disposed of by the Hon'ble Supreme Court; (b) WP(C) Nos. 4091 of 2017, 4135 of 2017, 7017 of 2017, and 6915 of 2017: Pending before the Hon'ble Delhi High Court; and (c) any other / further petitions, matters, challenges, writ petitions, and appeals initiated or may be initiated or pending before any authority, tribunal, or court *inter-alia* concerning the RIO / Interconnection Agreement, its stipulations, or any arising challenges from such cases and matters. For ease of reference, all cases / matters (by whatever name called) are collectively referred to as "Matters".
- (b) Broadcaster (through IndiaCast) reserves the right to alter, modify, and/or terminate the Interconnection Agreement, including based on the outcome of the aforementioned Matter(s). This right is in addition to, and not in derogation of, any other right Broadcaster (through IndiaCast) may have.
- (c) The Interconnection Agreement and any action taken in furtherance thereof shall not be deemed a waiver of any right or contention of Broadcaster (through IndiaCast) or for that matter any obligation of DPO and/or its subsidiary, partnership / joint venture, affiliate (by whatever name called) (collectively, "DPO Entity") whether under this Interconnection Agreement and/or under any other / Erstwhile Agreements and/or under the legal/regulatory framework. It shall not be deemed a confirmation of Affiliate's entitlement to receive signals of Subscribed Channels.
- (d) Broadcaster (through IndiaCast) reserves the right to take such legal actions against DPO / DPO Entity (including the right to disconnect signals of Subscribed Channels) for reasons including, but not limited to, non-payment of dues, failure to ensure compliance with the Interconnection Agreement and/or obligations emanating from any other / Erstwhile Agreements (if any) and/or non-compliance with legal/regulatory framework, and other such instances.

Broadcaster (through Authorized Representative) shall supersede any earlier other interconnection agreements (if any) between Broadcaster (through Authorized Representative) and Affiliate regarding retransmission of signals of Channels/Subscribed Channels through Affiliate's Permitted Digital Distribution Platform in the Territory, provided however all provisions of earlier / other interconnection agreements (if any) between Broadcaster (through Authorized Representative) and Affiliate (and/or its affiliated entity e.g., subsidiary, partnership / joint venture, by whatever name called) (collectively, "Affiliate Entity") that are explicitly, or by their nature, intended to survive expiry / termination of the said interconnection agreements (including Affiliate's confidentiality obligations, obligations to make payments (with interest), provide monthly subscriber reports, provide audit reports, obligation to allow conducting broadcaster caused audit, etc.) shall continue to survive. Further, with respect to such continuing obligations, Affiliate shall ensure timely performance of the same and that the Affiliate agrees and understands that Broadcaster (through Authorized Representative) reserves all rights (including the right to disconnect signals), in case of non-compliance / default of such obligation(s). Further, the Agreement and any action taken in furtherance hereto shall not be deemed to be any form of waiver of any rights / contentions of Broadcaster and also, should not be deemed as a confirmation of Affiliate's or Affiliate Entity's entitlement to receive signals of Broadcaster's Channels. Broadcaster (through Authorized Representative) specifically reserves the rights to *inter-alia* disconnect signals of Subscribed Channels / terminate the Agreement for reason of non-compliance with legal / regulatory framework and/or with those surviving expiry / termination of earlier / other interconnection agreements. Further, the Agreement is neither intended to supersede, nor does it supersede any earlier communication or notices already issued by Broadcaster (through Authorized Representative).
